

FAMILYCAMP

BIBLE BAPTIST CHURCH

July 2-6, 2018

Join us for **FAMILY CAMP 2018**

We at Bible Baptist Church hope Family Camp this summer. The dates, July 1-7, are a schedule of always having Family Camp. We know many families have some time off. We pray for your schedule.

We consider our Family Camp a blessing to be a blessing to senior pastors and missionaries as we do not charge the minimal camp fee of the Lord. We also always welcome churches of like faith and practice who join with us at camp for a special "family" emphasis. The divinely-designed institution of the home is certainly under attack these days, and needs to be strengthened and encouraged as much as possible.

Your home and its product will ultimately either be a great blessing or a great burden—to you, your extended family, your church, and even the world. What a joy it is to see one's family being blessed and being a blessing in a world that sorely needs to see what Jesus Christ can do in personal lives!

Won't you make plans to meet us this year at Family Camp? Enclosed with these materials you will find registration information, fee rate schedules, and other pertinent information. Register early! We look forward to seeing you at Family Camp!

Camp Details

The special camp speaker this year is Pastor Erich McCandless from Empire Baptist Temple, Sioux Falls, SD. He will be preaching on Tuesday evening. In the mornings Tues-Fri, we will have preachers in attendance, to give messages for

Nursery from 2 years of age and down will be provided. The Church will be provided during the morning session for the 1st grade.

If you would like to stay in a cabin, be sure to register early as do camper/RV hookups. In the past couple of years, we have claimed within a few hours of registration open for camper hookups were full as well. Don't delay to reserve your spot, but do remember that there is ample room for tenting if you are unable to get your first choice.

Cabins are furnished with different sizes of beds, but you are responsible to bring your own bedding & towels. If you do reserve a cabin, we will put you in one that is the appropriate size for your family, and let you know the sizes of the beds (queen, double, twin). Some cabins come with AC, but you may want to bring your own fan. Also, bring a jacket as the nights can be cool. Many campers also like to bring seat pads for the old, hard pews in the pavilion.

We believe God is honored when His people dress modestly. For this reason, shorts and sleeveless, "tank top" type shirts are not allowed on either men or women. Women & girls are asked to wear feminine apparel, in the form of skirts, dresses, or full culottes, rather than pants or jeans. Please avoid low necklines and tight, immodest clothing.

campers, except private cabin areas, canteen, and restrooms are kept sanitary for camp meal preparation, and for general use. (There is one refrigerator that may have space for food & milk, should you need to bring that.)

There is a snack bar (run by the BBC teens) that is open twice a day. We encourage you to earn go toward their teen camp expenses later in the

camp by washing dishes, cleaning up the dining hall & helping the little ones in the nursery. We will welcome volunteers in these areas.

There will be ample time in the afternoons for activities, so feel free to bring sporting equipment or games. Campfires within the fire rings are permitted; no fireworks and no pets.

Please remember to drive up to the camp SLOWLY—maximum speed 15 mph—to keep from stirring up too much dust for our neighbors.
