# Bible Baptist Church—Singles' Retreat

## August 12-14, 2021

Although we did not sponsor a Singles' Retreat last summer, due to losing our "prime" location for such an event, we have been doing these for many years. Last August, our own church singles worked together to put forward an abbreviated camp, at our own church campground, and it was a great time! So, we are reaching out again this summer, to invite singles from other churches to participate with us, if you are able to do so. *(Please be aware that our camp is somewhat "rustic," compared to more modern facilities we have used in years past. Compensation for this fact is a much lower cost...)* Here are some basics for the Camp:

-Time- From Thursday, approx. 10 am (first chapel time), Aug. 12, through lunch time on Sat., Aug. 14. The Retreat will dismiss early enough for a long drive back home on Saturday! Campers are welcome to arrive by 9 am, to get settled in cabins, etc.

-Speaker- Our main speaker for the retreat will be Bro. Eric Ramos, a powerful preacher and staff member with Fair Haven Baptist Church in Chesterton, IN.

-Location- the Singles' Retreat will be at our own church camp in rural ND, about 45 minutes west and north of Grand Forks, ND (location of Bible Baptist Church).

-Cost- The camp will include cabin/bunk space for 2 nights, and 7 meals, for \$55/person. (Please bring your own bedding and personal toiletries.) Cabins will be segregated, of course.

-Standards- As at all of our camps, we will maintain a high level of modesty and gender distinction in dress. Please see specifics in brochure.

Since the camp will involve preaching and teaching, be sure you bring your Bible, a notebook, and a writing instrument. Also, bringing appropriate board games, ball gloves, etc., is encouraged.

We feel strongly about ministering to single adults. They represent much of the vitality and energy of a church, and we desire to be a blessing to these conscientious church members.

\*This is NOT a "match-making" event, but is intended to strengthen and encourage those who attend. God bless you this summer. We hope to see you at the Single's Retreat.

For His Glory,

Pastor Mike Custer

## WHAT TO BRING:

- Bible, Notebook, Pen
- Bedding (twin size) and towels
- Sunscreen & bug spray
- Personal items
- Games (or other rainy day activities)

*We believe God is honored when His people dress modestly. For this reason, shorts and sleeveless shirts are not allowed on either men or women. Ladies are asked to wear skirts, dresses, or full culottes, and to avoid low necklines and tight, immodest clothing. Appropriate water attire for the segregated activities of either sex would include dark t-shirts and shorts/culottes that come below the knee.*
